PANTIN®

PANTIN is a foot ascender designed for more efficient and less tiring rope ascents, also available in left-foot version.

Short Description Foot ascender

Selling Points

- Facilitates rope ascents:
 - used to complement CROLL, ASCENSION or BASIC ascenders
 - keeps the body upright for more efficient movement
 - design facilitates rope glide on the first few meters
- Great durability:
 - stainless steel cam has better resistance to corrosion
 - toothed cam with self-cleaning slot optimizes performance under any conditions (frozen or dirty ropes...)
 - Dyneema® straps resist abrasion
- Functional and ergonomic use:
 - compact shape allows it to remain constantly attached to the foot and prevents any risk of snagging
 - easy and quick adjustment with DoubleBack buckle
 - releases from the rope with a simple backwards movement of the foot
 - catch available as accessory to keep the rope in the device during rope ascents
- Also available in left-foot version

Note: The PANTIN is not an item of PPE.

Specification

- Material(s): aluminum, stainless steel, Dyneema®
 - Weight: 85g
 - Rope compatibility: 8 to 13 mm
